Voiceover

Our 3D flyovers are designed to showcase your golf club and enhance your online presence. But why not take it one step further and add one of our professionally recorded voiceovers?

The addition of the voiceover will improve user experience;

- Longer dwell time on your website
- Improved statistics, the user will book a tee time.
- Acts as a playing aid within the app and buggy screens.
- Scripted by your professional team the voiceover will act as a virtual caddie whilst out on the course.

Cost:
£299 +VAT

Web Graphics

From our 3D flyovers we can produce high resolution graphics from your course. We can produce an interactive course map for easy navigation on your website to each of your hole pages which can be populated with an overview of the hole to support the 3D Flyover and pro tips.

Cost:
£149 +VAT

Pro Flyovers

As with our flyovers featuring on Sky Sports you can now get that tour quality feel with our overlay after effects. With shot lines, green detail, club selection and distance counter. Our features offers your golfers further insight into the course that awaits them;

- The shot line will showcase the ideal line for your golfers to take when out on the course.
- The green detail will give the golfer the advantage when reading the greens with the added undulation markers and green size information.
- The club guide can coincide with the pros tips.
- Your flyover can really become the ultimate marketing tool and revenue driver.

Cost:
£599 +VAT

Virtual Tours

Take a virtual tour of the holes on your course and get a closer look at the obstacles, features and signature holes before going out to play.

Select points around the course and get a 360° view from where you are standing.

Easily intergrated on to your website and housed in the smartphone apps to showcase your course.

Cost:
£499 +VAT

Course Guides

Course guides are a useful tool for new golfers and members alike. They may provide details of the course, an overview with yardage information, a map, and professional tips to help golfers get the most out of their game.

Images taken from the 3D Model help showcase your course holes in high resolution along with the green detail information.

The price includes providing all the pages at print quality, ready to be sent to print. If print is required, a quote can be put together or subsidised through advertising.

Cost:
£299 +VAT
